

AdEXPRESS

Version 2.7 launch 15th October!

21th September 2007

Vio Worldwide Ltd would like to inform you of the new upgrade to AdExpress due to be launched on the 15th October!

As the first major release for 2 years, version 2.7 represents a maintenance upgrade that will provide compatibility with the latest technology standards and is required for all users to continue using AdExpress services.

KEY BENEFITS:

- Mac INTEL and Windows Vista supported.
- Adobe Acrobat versions 6,7 & 8 supported.
- New titles added from the National Magazine company.
- New infrastructure behind AdExpress improving performance and reliability.

AdExpress 2.7 will supercede versions 2.5 and 2.6. Make sure you take the opportunity to upgrade as versions 2.5 and 2.6 will be discontinued at the end of December.
